### Accomplishments:

- Slide bolt has been fixed, according to Sports Systems. Need to verify.
- Hoops nets have been ordered.
- Tot lot maintenance has been completed.
- Bent signs have been fixed by Graphic Services.
- County approved application for Courts sign. It will be installed in two weeks.
- Trees around clubhouse transformer have been planted.
- Split trees near Ridges' sign have been removed.
- Tree stump near Matchpoint and Championship has been fixed.
- T&C ordered a replacement for the fallen plum tree.
- Open space between Brookline and Sunset was aerated.
- Sprucegrove Square has been landscaped.

### Pending items:

- Handyman will try to fix hoops backboard in the Courts.
- Open space between Brookline and Sunset will be reseeded this spring.
- Tom will check on the four rods for each of the six mats. Mats will be installed under big swings only.
- Additional plantings to act as a screen around the pool were requested. Leyland cypress and/or juniper were suggested. We have two bids and are waiting a third.

### New Business:

- Fallen trees behind Sprucegrove and Raleigh will be removed in January.
- Additional curb painting will take place in the spring.
- The trash can (in the Courts by the tot lot) needs to be replaced, PMP ordered.
- A dog station was requested between the tennis courts and the path on Ashburn Rd.
- Lights are out in front of Ridges sign.
- It was suggested we look into additional lighting for the tennis courts in order to allow for evening play. As well, additional lighting for security of the tot lots.
- A spring community clean-up (with dumpsters) was suggested. We will check with the events committee.
- The T&C contract was updated to add the removal of snow on common area sidewalks.

The OSC will not meet in December. The next meeting is scheduled for the third Wednesday in January. Monthly meetings are every third Wednesday of the month at 7:00 p.m. in the clubhouse.
