"MANAGEMENT" is our middle name

March 7, 2008

Dear Ashburn Residents:

We are pleased to announce the Courts and Ridges pool will open Saturday May 24, 2008. Continental Pools Incorporated will manage the pool for your summer swimming enjoyment. The cost for an outside family membership is \$450. Our association only accepts a limited number of guest families each year. Returning members have until May 1, 2008, to renew their membership, after which any remaining memberships will be opened up on a first come first serve basis.

The regular hours of pool operation will be 12:00 p.m. to 8:00 p.m. daily through Labor Day September 1, with the exception of school days, when the hours will be 4:00 p.m. to 8:00 p.m. Please remember that outside members will not be able to use the pool on July 4th due to a long-standing HOA annual community event.

Pool Registration Process (Mar 7 – May 9):

If you have retained a permanent pass from last year, and it's less than four years old, simply fill out the enclosed application and mail it to our office. If an individual's pool pass is more than four years old or the pass has been lost, please include a separate photograph of each family member who needs a pass. Any photograph similar to a passport type picture is fine. PMP will cut out the "head shots" of the family members and laminate it to your pass. If you are submitting multiple member applications write each family member's name on the back of the photos for identification purposes. Keep in mind that issuing new pool ID cards is an expense to the community. In an effort to control costs please do not request a new ID card unless you meet one of the requirements outlined herein.

Children 3 and under do not need a pool pass. Children ages 4 to 11 will be issued a pass with a red sticker. This means an adult must accompany children who have red stickers at all times. Children ages 12 to 16 will be issued a pass with a yellow sticker, which indicates they may enter the pool without an adult. Everyone 17 and older will be issued a pass and a green sticker.

Mail all applications to:

PMP

741 Miller Drive, Suite K-1

Leesburg VA 20175

Once your application has been processed, passes will be delivered to the Courts and Ridges pool office. You will be able to pick them up upon your first visit to the pool with valid picture I.D. **Passes can take up to two weeks for processing, so please plan ahead!**

Guest Passes:

Each household will receive a card valid for 10 guests. Guest cards from 2007 or earlier are not valid for the 2008 season. Once your 10 passes have been used, a family member can still host their guest at the pool and pay by check. Make the checks payable to "Courts and Ridges of Ashburn" in the amount of \$3.00 per guest. **No Cash** will be accepted by the lifeguards. Families will also have the option to purchase additional guest passes that will never expire. To purchase these additional guest passes mail a check payable to the "Courts and Ridges of Ashburn" to PMP for \$30.00 and another guest pass card will be delivered to the clubhouse for pick up.

Children are required to pass a swim test:

To ensure the safety of all our children at the pool, a swimming proficiency test will be administered by the lifeguards. All children under 40" in height must pass a yearly swim test in order to have full access to the main pool without an adult within arm's reach of the child. The swimming pool children's access policy is comprised of the following elements:

1. For the swim test, a child must swim the length of the pool and then tread water for an additional 30 seconds after reaching the other side of the pool.
2. Children who are less than 40 inches in height and cannot pass the swim test **MUST** be accompanied in the main pool by an adult who is within arm's reach of the child at all times. Any child under the height limit who is not in the pool with an adult will be instructed by the lifeguards to leave the pool.
3. Children who are less than 40 inches and **HAVE** passed the swim test may swim in the pool unaccompanied by an adult. These children will be given a bracelet every time they enter the pool area. It will be the parent's responsibility to pick up a bracelet from the lifeguards each time they enter the pool area.
4. Children over 40 inches in height are not required to pass a swim test to be unaccompanied in the pool, however they will not be allowed use the slide or diving board until they can pass the swim test.

We look forward to seeing you and your family at the pool this summer. Please do not hesitate to contact us if you have any questions or require additional information.

Sincerely,

Audra Wallace
