

Courts and Ridges of Ashburn Association

101 Blue Seal Drive
Suite 100
Leesburg, VA 20175

Dear Ashburn Residents:

We are pleased to announce the Courts and Ridges pool will open Saturday May 29, 2010. U.S. Aquatics will again manage the pool this season. **For 2010, the cost for an outside family membership has been reduced to \$350.** As our association only accepts a limited number of guest families each year, please return your completed application form and payment as soon as possible. Returning members have until April 30th to renew their membership, after which any remaining membership slots will be sold on a first come, first served basis.

The regular hours of pool operation will be 12 – 8 PM daily through Labor Day with the exception of school days, when the hours will be 4 – 8 PM. Please remember that members will not be able to use the pool during scheduled swim team meets.

Pool Registration Process

If you are a prior outside member and have retained a permanent pass from a previous year, and it's less than four years old, simply fill out the enclosed application to request new stickers and mail it to our office. If you need new passes, please include a separate photograph of each family member needing a pass. Any photograph similar to a passport type picture is fine. We will cut out the "head shots" of the family members and laminate it to your pass. If you are submitting a multiple member application, please write each family member's name on the back of the photos for identification purposes. Keep in mind that issuing new pool ID cards is an expense to the community. In an effort to control costs please do not request a new ID card unless you meet one of the requirements outlined herein.

Children 3 and under do not need a pool pass. Children ages 4 to 11 will be issued a pass with a red sticker. This means an adult must accompany children who have red stickers at all times. Children ages 12 to 16 will be issued a pass with a yellow sticker, which indicates they may enter the pool without an adult. Everyone 17 and older will be issued a pass and a green sticker.

Mail all applications to:
PMP, Inc.
101 Blue Seal Dr, Suite 100
Leesburg VA 20175

Once your application has been processed, passes will be delivered to the Courts and Ridges pool office. You will be able to pick them up upon your first visit to the pool with valid picture I.D. **Passes can take up to two weeks for processing, so please plan ahead!**

Guest Passes:

Each household will receive a 2010 guest card valid for 10 guests. Guest cards from 2009 or earlier are not valid for the 2010 season. Once your 10 passes have been used, a family member can still host their guest at the pool and pay by check. Make the checks payable to "Courts and Ridges of Ashburn" in the amount of \$3.00 per guest. **No Cash** will be accepted by the lifeguards. Families will also have the

option to purchase additional guest passes that will never expire. To purchase these additional guest passes mail a check payable to the "Courts and Ridges of Ashburn" to PMP for \$30.00 and a guest pass card with no expiration will be delivered to the clubhouse for pick up.

Children are required to pass a swim test:

To ensure the safety of all our children at the pool, a swimming proficiency test will be administered by the lifeguards. All children under the age of 12 must pass a yearly swim test in order to have full access to the main pool without an adult within arm's reach of the child. The swimming pool children's access policy is comprised of the following elements:

1. For the swim test, a child must swim the length of the pool and then tread water for an additional 30 seconds after reaching the other side of the pool.
2. Children who are less than 40 inches in height and cannot pass the swim test **MUST** be accompanied in the main pool by an adult who is within arm's reach of the child at all times. Any child under the height limit who is not in the pool with an adult will be instructed by the lifeguards to leave the pool.
3. Children who are less than 40 inches and **HAVE** passed the swim test may swim in the pool unaccompanied by an adult. These children will be given a bracelet every time they enter the pool area. It will be the parent's responsibility to pick up a bracelet from the lifeguards each time they enter the pool area.
4. Children over 40 inches in height are not required to pass a swim test to be unaccompanied in the pool, however they will not be allowed use the slide or diving board until they can pass the swim test.

We look forward to seeing you and your family at the pool this summer. Please do not hesitate to contact us if you have any questions or require additional information.

Sincerely,

A. Wallace
